

## **2019 WHIMWOOD SPARKLING CHARDONNAY**

---

The grapes for this refreshing sparkling Chardonnay were carefully handpicked, carted to the winery and then gently pressed to barrel for natural fermentation. The base wine remained on lees for 6 months before the barrels were racked to tank and then filtered in readiness for the Tirage process. Following fermentation, the wine remained on Lees for a further 19 months before disgorging.

Once poured the wine has a fine persistent bead with aromas of freshly baked Brioche and Citrus Blossom. Flavours of Lemon Curd and Granny Smith Apples abound and leave a balanced refreshing finish. A delightful wine to be enjoyed on any occasion.
